Hunter's Cabin

Architectural Survey File

This is the architectural survey file for this MIHP record. The survey file is organized reverse-chronological (that is, with the latest material on top). It contains all MIHP inventory forms, National Register nomination forms, determinations of eligibility (DOE) forms, and accompanying documentation such as photographs and maps.

Users should be aware that additional undigitized material about this property may be found in on-site architectural reports, copies of HABS/HAER or other documentation, drawings, and the “vertical files” at the MHT Library in Crownsville. The vertical files may include newspaper clippings, field notes, draft versions of forms and architectural reports, photographs, maps, and drawings. Researchers who need a thorough understanding of this property should plan to visit the MHT Library as part of their research project; look at the MHT web site (mht.maryland.gov) for details about how to make an appointment.

All material is property of the Maryland Historical Trust.

DESCRIBE THE PRESENT AND ORIGINAL (IF KNOWN) PHYSICAL APPEARANCE

This frame hunter's cabin is located on the north side of Oldtown Road just west of Carroll Road. It is a one story, three bay frame cabin with board and batten vertical siding. Circular saw marks are very evident on the siding.

Windows and doors are boarded shut but display architraves with molded trims. The door is partially visible and appears to have fine horizontal panels. At the front elevation the roof overhangs several feet forming a porch supported by turned posts resting a "balustrade" of vertical planks.

A central brick flue extends from the interior of the cabin.

It appears to be in fair condition.

SPECIFIC DATES

BUILDER/ARCHITECT

STATEMENT OF SIGNIFICANCE

This vacation/hunter's cabin appears to date from the 1920s.

It has no particular architectural or historical significance. There are numerous such cabins scattered through the mountains in Western Maryland.
