

Phase II and Phase III Project Cover Sheet

All information contained within the individual site database and inventory sheets is solely the work of the researchers and authors noted below. The data provided has been culled from the original site reports noted below and in many cases has been lifted directly from them with little or no editing. The database and inventory sheets are meant to serve as a synopsis of the report findings and a finding aid and are not intended to replace or republish the research of the authors noted below.

REPORT INFORMATION:

2015 Arnold, W.B., C.J. Cox, J. Gollup, J. Kille, M. Melton, A. Poulos, S. Sharpe, and S. Sperling
First annual interim report of the Generals Highway Project 2014-2015.
Submitted to Maryland State Highway Administration

Library ID No: 95002795 Catalog/Shelving ID: AN 680

Sites examined:

18AN1552 18AN1553 18AN1554 18AN1555

Additional sites as listed above:

18AN1554

Project Details:

Phase I	<input checked="" type="checkbox"/>	Project Justification:
Phase II		The Maryland State Highway Administration and Anne Arundel County are partnering to conduct this work, funded by a "Transportation Enhancement Program" (TEP) grant.
Phase III		

Project Objectives:
The work conducted during the first year of the project primarily consisted of Phase I archaeological field surveys and intensive historic research on the corridor as a whole, as well as individual cultural or landscape features that played an important role in shaping the corridor as it exists today.

Research Potential:

See below.

REPORT INFORMATION:

2016 Melton, M.
Second annual interim report of the Generals Highway Project 2015-2016
Submitted to Maryland State Highway Administration

Library ID No: 95002796 Catalog/Shelving ID: AN 681

Sites examined:

18AN1554

Project Details:

Phase I		Project Justification:
Phase II	<input checked="" type="checkbox"/>	The purpose of the limited Phase II was to determine whether the site retained integrity and if it held the potential to further contribute to the dearth of data for Anne Arundel County's inland prehistoric landscape.
Phase III		

Project Objectives:
The purpose of the limited Phase II was to determine whether the site retained integrity and if it held the potential to further contribute to the dearth of data for Anne Arundel County's inland prehistoric landscape.

Research Potential:

Additional investigations may be able to further elaborate other aspects of prehistoric food preparation techniques, technology, and material culture.

REPORT INFORMATION:

2017 Poulos, A.
A cultural landscape study of the Historic Generals Highway (MD-178), Anne Arundel County, MD.
Submitted to Maryland State Highway Administration

Library ID No: 95003225 Catalog/Shelving ID: AN 709

Sites examined:

18AN1574

18AN1534

18AN951

18AN114

18AN128

18AN129

18AN161

18AN1554

Project Details:

Phase I	<input checked="" type="checkbox"/>	Project Justification:
Phase II	<input checked="" type="checkbox"/>	A "Transportation Enhancement Program" (TEP) grant funded this project.
Phase III		

Project Objectives:
Anne Arundel County's Cultural Resources Division, in partnership with the Maryland State Highway Administration, conducted a multi-year investigation (2013-2017) of Historic General's Highway to identify, locate, record, assess, study and share with the public the range of archaeological and cultural resources within a one-mile buffer of General's Highway (Route 178.)

Research Potential:

See below.
