

Phase II and Phase III Project Cover Sheet

All information contained within the individual site database and inventory sheets is solely the work of the researchers and authors noted below. The data provided has been culled from the original site reports noted below and in many cases has been lifted directly from them with little or no editing. The database and inventory sheets are meant to serve as a synopsis of the report findings and a finding aid and are not intended to replace or republish the research of the authors noted below.

REPORT INFORMATION:

2005 Hopkins, J.H. and A. S. Persson
Phase I archeological investigation of the Rodgers Tavern site, Perryville, Cecil County, Maryland.
Submitted to Maryland Historical Trust

Library ID No: 95002385 Catalog/Shelving ID: CE 74

Research Firm/Institution:

Joseph Hopkins Associates, Inc.
3211 Berkshire Rd.
Baltimore, Maryland 21214

Sites examined:

18CE15

Project Details:

Phase I	<input checked="" type="checkbox"/>	Project Justification: The Town of Perryville plans work on restoration of the existing Tavern Building. The first step will be repair of the roof. The presence of evidence of modern material in the top 10 cms. Of the yard means that erecting scaffolding for roof repairs is unlikely to have an important effect on archeological resources.
Phase II	<input type="checkbox"/>	
Phase III	<input type="checkbox"/>	

Project Objectives: See below.
--

Research Potential:

It was determined that the proposed new construction would have no adverse effect on any significant historic resources, and no further archeological investigations were recommended for this portion of the Rodgers Tavern site.
