Project Details:

Phase I	<input checked="" type="checkbox"/>	Project Justification:
Phase II	<input checked="" type="checkbox"/>	The Gaither Howard House (M:23-8A) and the Greenbury Howard House (M:23-8B) are both proposed stops along a planned Patuxent River State Park interpretive trail that was funded in part by MDOT SHA. This study proposes to recover archaeological information that will be used to assist in the structural and landscape stabilization, and public interpretation of both historic resources as part of trail construction by DNR.
Phase III		

Project Objectives:
The investigation of the Howard houses aimed to answer several specific and general research questions. Archival research focused on the evolution of the families living in each house.
